***PROUDLY BRINGS YOU
EXPANDED REPAIR SERVICES FOR***

SCHNEIDER ELECTRIC PRODUCTS

Schneider Electric is the manufacturer of the products that were sold by the following entities:

- Modicon, Inc.
- Schneider Automation, Inc.
- Square D Company
- Telemecanique SA
- AEG GmbH
- The Automation Division of Gould, Inc.

The repair prices shown for Human-Machine Interface (HMI) products do not typically include display/screen replacement. Occasionally, the repair of this product type requires the replacement of components (LCD screens and so on) that are not included in the repair price shown.

Electrical South is pleased to offer

**UP TO THREE DIFFERENT LEVELS OF
SERVICE FOR MANY PART NUMBERS
LISTED IN THIS SPECIAL SECTION!**

REPAIR

This is the same high-quality repair service that we offer for the other brands represented in this catalog: your product is cleaned, repaired to the same revision level as it was submitted, tested & certified, and returned to you.

REPAIR & UPDATE

While repairing your product, we'll bring it up to the latest revision level, installing all factory-certified engineering changes and improvements, potentially extending the life and performance of your product. This special service is available thanks to our relationship with Schneider Electric.

EXCHANGE

Simply call the toll free number on the back cover of this catalog to order your exchange, and we'll send you a new or refurbished replacement product immediately so that you can get back up and running quickly. Return the inoperable product to us within 45 days for a credit that will bring your invoiced net price to the Exchange price listed in this catalog. Please note that you will be invoiced a higher price if the inoperable product is not returned within the specified time. This special service is available thanks to our relationship with Schneider Electric.

**THE MODICON® COMPACT™
PRODUCT OFFER WILL BE
AVAILABLE FOR PURCHASE
THROUGH THE END OF 2010.**

Email all order inquiries to service.sales@us.schneider-electric.com

Here's Why We Are the Leader

**IN THE REPAIR OF ALL MAJOR
BRANDS OF INDUSTRIAL ELECTRONICS...**

THE BEST REPAIR PROCESS:

- **Experience** — our U.S.-based repair operation has been serving industrial customers for more than 30 years. No matter what product you send to us, chances are, we'll know how to fix it and test it
- **Next-day exchange option** — to provide the quickest turnaround, if we have the unit in stock, your repair item can be exchanged for the same product, remanufactured to like-new condition and backed by a comprehensive one-year warranty
- **Preparation and cleaning** — to ensure fault-inducing contaminants are removed
- **Performance testing and quality repair** — using automated test equipment and custom-engineered test platforms to perform functional tests for the most complex electronic assemblies
- **Calibration** — of precision instruments to the National Institute of Standards and Technology (NIST) traceable standards
- **Packaging and delivery** — after repair, your item is placed in an anti-static enclosure, then foam-packed in new boxes to protect your repaired asset from damage

THE BEST RESOURCES:

***Use one
vendor
to reduce
transaction costs
and save money,
consolidate your
shipments and
standardize your
order process
for repairs.***

- **Repair support** — over half a million components in stock to support the fastest turnaround in the industry for over 120,000 products from hundreds of major manufacturers
- **Research and development** — a group developing new repair and testing capabilities to support more products, based on our extensive history and the constant flow of new technologies in the industrial market
- **Remanufactured parts inventory** — thousands of products fully reconditioned and/or tested, certified and ready for immediate shipment
- **Order tracking** — with a distinct identifier assigned to each incoming repair, you can track the progress of your order from the time we receive it to the time it returns to your dock
- **Channel partners** — the 1,400 U.S. branches of Schneider Electric distributors stand ready to serve

How to Submit a Repair Order?

**CHOOSE THE WAY THAT BEST FITS
YOUR PREFERENCE AND
LEVEL OF URGENCY:**

PERSONALIZED SERVICE:

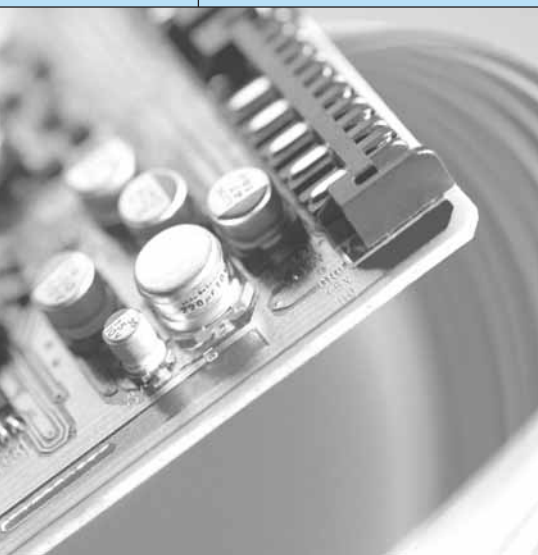

Contact your Schneider Electric distributor for personalized service. To locate your distributor via the internet, go to **www.schneider-electric.us/go/repair**, then move your cursor to the 'Support' button on the menu bar, and select 'Find a Distributor' on the drop-down menu. You may also call 800-468-5342, then select option 2. Our Customer Service team will be happy to help you locate a distributor in your area.

NEXT DAY EXCHANGE SERVICE:

For emergency situations, we can often send you a replacement product right away – you send us back the inoperative product within 45 days for a partial credit. See page Aii in the Yellow section of this book for more details. Call us at **800-468-5342, option 2** for pricing and availability.

EASY SERVICE:

For your convenience, you may simply send us your product with your name and phone number. We will contact you with a free quote to obtain your payment preference.
